

44th Annual Utah State USBC Youth State Tournament

- This is a list of tournament bowlers that ranked in the top 6 places and used an incorrect average.
- If the youth went in with a higher average than they should have, it was not changed.
- If they youth went in with a lower average than they should have, it was changed.
- Some youth may be disqualified in the singles event if they Initialed there average and the average was wrong. REASON: You cannot penalize a team member or a doubles partner if a wrong average is used.
- Youth need to make sure they know what THEIR average is going into a tournament and notify officials there is a mistake.
- Youth need to insure they COMPLETELY fill out all entries and annotate where they obtained their highest average (which league)
- Entries will change next year to insure youth coaches verify entry completion and accuracy.
